

TIPS TO CHOOSE BEST FITTING SIZES

in 4 simple steps

1. *Pick a similar type of T-shirt that you already have, which fits you best.*
2. *Lay it on a flat even surface.*
3. *Measure the **Chest Width**.*
Chest width is measured approximately 2 inches below the armhole point across the garment from edge to edge as shown in above picture.
4. *Compare the measurement you get with the **Chest Width** of the Size Guide provided.*
